AVENTO

MY LIFESTYLE

A surprisingly fresh design, amazingly practical and excellent value for money. Avento has everything that a modern bathroom requires. And more besides.

The new Villeroy & Boch bathroom collection sports a perfect look and a wealth of practical features – from trendy furniture with acrylic glass fronts in four colours and plenty of storage space, modern, graceful-looking ceramics and the rimless DirectFlush WC for optimum hygiene. And all of this comes with a great selection of sizes that caters for small bathrooms, too. Avento is perfect for everyone who wants to present their bathroom to best advantage.

Stylish: The elegant washbasins with a narrow rim (15mm) and softly sweeping curves have a modern, delicate appeal.

Practical: Deep washbasins and functional furniture – the two drawers offer plenty of storage space.

Inviting: The attractive acrylic bath is available in 4 sizes and thanks to the central outlet, two people can bathe together in absolute comfort.
